

THE ONLY WORLD-WIDE CIRCULATED TRADE MAGAZINE
EXCLUSIVELY DEDICATED TO THE CORRUGATED INDUSTRY

MEDIA PACK 2024

INTERNATIONAL PAPER BOARD

INDUSTRY

Since the 1950s, this magazine has been the 'go to' for the global corrugated packaging industry. With in-plant reports, machinery profiles and much, much more, converters around the world have enjoyed keeping up to speed with all that is new and exciting through the pages of this prestigious title.

From 2022, the magazine – which has remained in print – moved from 12 issues per year to eight issues. This is not for any other reason than we feel we can bring a more powerful and meaningful magazine to you eight times per year and creating new and exciting content that will make it 'MUST' reading for CEOs, Managing Directors and Plant Managers at box factories everywhere.

COMPANY PROFILE

A three page article, with your full page advertisement on fourth page. HiRes PDF provided for reprint (ideal for expos), social media and website download. You can have one profile per year and there is no cost for the report, as it is included in your advertising page rate. This is only offered to companies who book 4x insertions or more.

CUSTOMER REPORT

A dedicated three page article, with your full page advertisement on fourth page. We will interview your customer and hear their reasons for choosing your machine or solution. HiRes PDF provided for reprint (ideal for expos), social media or website download. This article will also appear as a feature on our website, **www.thepackagingportal.com** as well as promotion of the feature via our LinkedIn and social media.

The number of customer reports will be directly related to the number of insertions you book in one year. These reports carry no cost, being related to the volume of insertions you book.

NEW PRODUCT RELEASE

A one to two page article about a new machine, system or solution. Choice to run advertisement next to the article for maximum impact. You can have up to two profiles per year and there is no cost for the report, as it is included in your advertising page rate.

Based in Istanbul, Turkey, Kaan Ouklu Mukavva Sanayi Ticaret A.S. is a privately owned business. Considerable growth over the last few years has prompted the owner, Mustafa Kocan, to confirm the building of a new, greenfield corrugated packaging facility just outside of Istanbul, in the Asian territory. The facility will include 36,000 sqm of covered space.
